## What YUGO is all about ...

### The Goal:

YUGO exists to work toward three goals:

- #1 To reach the people of Mexico for Christ
- #2 To train Mexicans to reach one another for Christ
- #3 To get Americans, Canadians, and Mexicans active in world missions

### The Outreach Ministry:

To help accomplish these goals, we invite you to join us in the rapidly growing region of Northern Mexico. You'll be working through local Mexican churches conducting Vacation Bible Schools, Sports Evangelism Ministries, Women's Bible Study Ministries, and Evening Church Services. Junior Highers only work with Children. There is a full schedule at the Outreach Headquarters as well, including chapel, team meetings, quiet time, field training times, meals and more.

### Who can come to YUGO:

YUGO Outreaches are designed for high schoolers, college students, adult groups, and families. Junior High teams and mixed high school/junior high groups may attend any scheduled Outreach. Junior Highers only work with children for cultural reasons.

### The Training:

A full training package is provided that will thoroughly prepare your group for ministry in Mexico. It includes a video, training handbooks for all your people, leaders' materials for you and your helpers, samples of tracts and crafts, and the curriculum you will be using in Mexico. It covers culture, ministry training, teamwork, and re-entry. Training is designed to be done in five sessions of around 4 hours each.

### What YUGO Provides:

Everything we can. Training materials, craft materials, tracts, New Testaments, sports equipment, medical (accident) insurance, food, and water. You will need to provide your transportation to Mexico and use your own or rented vehicles to get from Outreach Headquarters to your ministry location each day.

### Outreach Locations:

*Tijuana* is south of San Diego, California. *Mexicali* is south of El Centro, California. Accommodations in both these places include full bathroom facilities, but teams need to bring tents to sleep in. Dormitories are available in Tijuana at extra cost. *Acuña* is south of Del Rio, Texas. YUGO rents Camp Getsemaní which provides air conditioned dorms for most participants. YUGO staff prepares and provides meals at all Outreaches.

### YUGO's History:

YUGO began in 1964. Since then we have taken tens of thousands of people to Mexico to do evangelism and discipleship work, and tens of thousands of people in Mexico have responded to the Gospel message, many new churches have been planted, and many pastors have received training. That experience has helped us refine our program and our materials. YUGO is as effective as ever.

**“So why should I bring *my* group to YUGO?”**

**Most high school kids who are involved in church stop going once they get to college. Why? We think it’s because they never really had the chance to see Christianity in action. They never experienced the thrill of seeing God work through them to impact eternity. On a YUGO Outreach, they will gain a new perspective of Christianity and the world around them. YUGO is unique because the priority is to serve the Mexican people. Because of that, your group has the chance to selflessly serve God -- expanding His kingdom cross-culturally, seeing Him answer their prayers, and being the vehicle He uses to spread the Gospel. We often hear of missionaries that are on the field because of their first exposure to missions through YUGO.**
